

A Gooley Mess

Sam wants to make something fun.

She asks a grown-up.

The grown-up says, "Yes."

Sam gets water.

She gets a red drink mix.

She puts them in a dish.

Sam adds cornstarch, too.

Sam mixes it all up.

Soon, it is goo.

She dips her fingers in the dish.

She puts the goo on her chin.

Sam runs to her brother's room.

He sees Sam's sticky chin.

He yells, "Ahh!"

He runs away.

But then he comes back.

"Can I have some, too?" he asks.
