Saturday Jobs

Rob and Alma live with their grandpa. Everyone in their home has jobs to do.

Rob and Alma do some jobs every day.
Rob sets the table for dinner.
Alma feeds the dog.
Rob and Alma make their beds.

On Saturdays, Rob and Alma have a new set of jobs.
They help Grandpa with his garden.
They get out weeds.
They water the seeds and plants.

Alma and Rob love doing their Saturday jobs best.
The sun shines on them.
The dirt is warm in their hands.
And their jobs don’t feel like work at all!
