

## The Old Shed

Emma goes into the old shed. It is full of junk. The old shed is full of dust too.

Emma has a big job to do. She has to clean the shed.

Emma gets a rag.
She starts to dust.

"Achoo!" says Emma.

"Achoo! Achoo! A-ch-oooooo!"

Emma cannot stop!

She runs out of the old shed.

She says, "That shed has too much dust!

It's not the job for me."
