# Sand Hills

**LEVEL A-7: Sand | Book 2**

written by Elfrieda H. Hiebert & Wendy Svec

Add water to sand to make things.

A big wave hits the sand!  
The hills were not big for long.  
But we had fun!

Sand hills do not last long.

A young boy and a young girl are playing on a sandy beach. The boy is holding a red bucket and pouring water into it. The girl is standing next to him, looking down at the water. They are both smiling and appear to be enjoying their time at the beach. The background shows the ocean and a clear blue sky.

We like to dig in the sand.  
We get water.  
We mix the water and sand.

We make small hills.  
We add more sand.  
The hills get big.

The boys and girls stick flags in the sand.
