Oddballs

LEVEL B-4: Ball Games | Book 3

written by Elfrieda H. Hiebert

A “bird” is hit over the net in badminton.

In this game, you have to catch a small ball.

The ball is called a snitch!

Snitch is an odd name for a ball.

This game is quidditch. It was made-up in a book. Now you can play it in real life.

Sport balls can have odd names.

What do you call this ball?

A bird!

It does not have wings.

But it can fly over a net.

Pickleball is a mix of tennis and ping pong.

This ball has an odd name too.
It is a pickle ball.
But you cannot have it with
your lunch.
A pickle ball is not a snack!
