Fox Kits

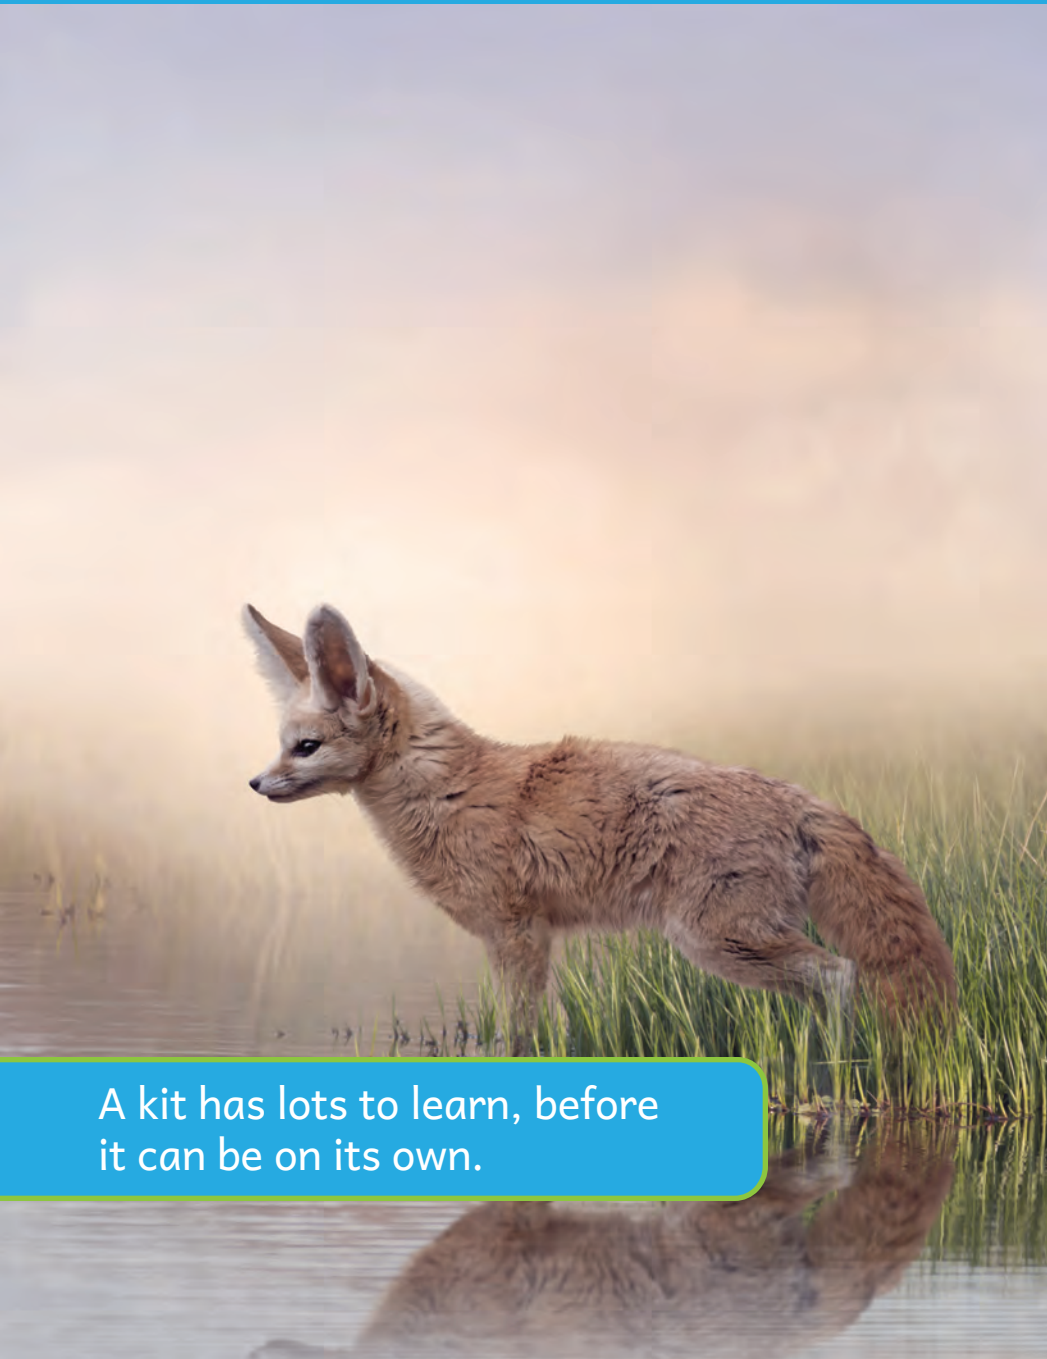

LEVEL B-2: Baby Animals | Book 4

written by Elfrieda H. Hiebert and Wendy Svec

A fox can have up to ten kits at a time.

A kit must learn to hunt.
One day soon it will be a fox.
It will be on its own.

A kit has lots to learn, before
it can be on its own.

The name for a baby fox is a kit.
A mama fox has her kits in a den.

A kit is as small as an apple at birth.

Kits like to run and jump.
They like to play fight too.
