# How We Use Rocks

**LEVEL B-11: Rocks | Book 3**

written by Elfrieda H. Hiebert and Wendy Svec

Do you like to draw with chalk sticks?

And rocks can be strong.

They can be so strong that they help to hold up a bridge!

This bridge spans more than a mile from end to end.

We can use rocks for lots of things.

We can draw with some rocks.

This path is made of rocks too.

We can build with some rocks.  
We can stack them to form  
homes.
