Grass

PRIMARY

LEVEL B-3: Plants | Book 3

written by Elfrieda H. Hiebert

Grass can grow quickly!

My dog and I sat on the grass.
Now my dog has wet fur.
And my pants are damp too!

Water drops on grass are called dew.

Grass is a plant.
Grass is all around.
Grass can get very tall.

Grass is home to lots of things.

Here is some grass.
I will sit on this flat patch.
I will pet my dog.
