Flutes

LEVEL C-12 Music | Book 2

written by Elfrieda H. Hiebert & Wendy Svec

A flute is a long and thin instrument.

You can play high notes and low notes.

You can make a flute sound happy or sad.

A flute is a fun instrument to play.

Practice every day to get better at playing an instrument.

A flute is an instrument that makes music.
It has holes and keys.
To play it, you blow into it.

You hold a flute with both hands.
You cover and uncover the holes as
you blow.
This makes different notes.

Most flutes are long but some are short.
