# Songs

**LEVEL C-12 Music | Book 1**

written by Elfrieda H. Hiebert & Wendy Svec

We can play songs on phones and tablets.

Anyone can sing a song.  
Learn the words.  
Hum the tune.  
And sing out loud!

You don't have to be a rock star  
to sing or record a song.

We hear songs everywhere.

Songs play during movies and on  
shows.

We hear them when we ride in a car  
or a bus.

We hear them when we shop in  
stores.

A young boy with short brown hair is sitting on a large, tufted red leather sofa. He is holding a light-colored acoustic guitar and looking down at it. A music stand with sheet music is positioned in front of him. The background is a textured, grey wall.

Many songs have words.  
But all songs also have tunes.  
The tune is what you sing.  
You can play tunes on instruments too.

This child plays a tune on a guitar.
