**LEVEL C-8 Rope Games | Book 4**

written by Elfrieda H. Hiebert & Wendy Svec

One game with two ropes is called Double Dutch.

The rope starts out high in this game.  
But it gets lower and lower.  
How low can you bend?  
Don't touch the rope! Or you will be out!

Some people call this game limbo.

In this game, you use two ropes at one time.

One person jumps in the middle.

Everyone can chant a song as the person jumps.

Snake is a rope game.

The rope starts out low but gets higher and higher.

How high can you jump?

If you touch the rope, then you are out!

This game got its name from the way the rope moves like a snake.
