# Word Sums

**LEVEL C-4: Word Fun | Book 4**

written by Elfrieda H. Hiebert

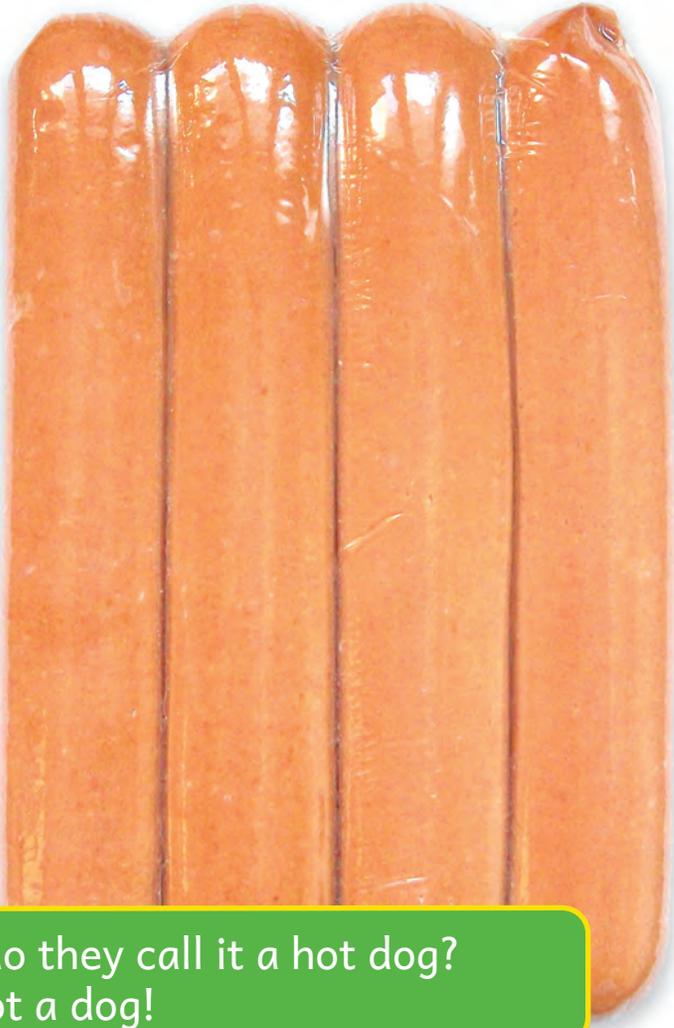

Cakes and pans come in many shapes.  
A pancake is only one kind of cake!

You can drink some too cold milk.  
It is so cold that you shake.  
But does that mean you drank  
a milkshake?  
It's the sum of some words.  
They just won't add up!

Isn't milk in a milkshake? Yes!  
But you need to *add* ice cream.

Can words be like numbers?  
Can you add two words together?  
Let's try!  
You bake a cake in a pan.  
Does that mean it is a **pancake**?

Why do they call it a hot dog?  
It's not a dog!

How about the word **hot**?  
We can add it to the word **dog**.  
But if you don't heat up the meat,  
then is it still a **hot dog**?
