# Winter Time

**LEVEL C-7 At the Lake | Book 3**

written by Elfrieda H. Hiebert & Wendy Svec

Sunlight is weak at winter time.

My friends like to slide on the ice.  
We wait until the ice is thick.  
Then, we can put on skates and race.

The thin blades on ice skates help you to glide on ice.

The lake has a cover of ice at winter time.  
And the grass is covered with snow.  
The bare trees cast long shadows.

If you want to fish in the ice,  
the ice must be thick.

I like to fish in the ice in winter time.  
I make a hole in the ice for my line.  
Now, I wait and wait for fish to bite.
