Sand Animals

TURQUOISE STEP SET A-7: Sand | Book 1

written by Elfrieda H. Hiebert & Wendy Svec

This sand crab is an animal.

I can see a bug.
Its name is antlion.
It digs in the sand.

The antlion is a bug
that lives in the sand.

I can see animals in the sand.

I can see a sand crab.

It looks like a bug.

Watch out! It can bite!

Clams are animals
that live in the sand.

If I dig, I can see a clam.
A clam looks like it has two lips.
Tap the clam.
It shuts its lips.
