# Colors of Sand

**TURQUOISE STEP SET A-7: Sand | Book 3**

written by Elfrieda H. Hiebert & Wendy Svec

This boy runs on white sand.

Some sand can be pink.

The pink comes from bits  
of bugs!

This sand is made from pink bugs.

Sand is made of little bits.  
Some bits are from shells.  
Shells can make white sand.

You might not think this is sand.  
But sand can be black, too.  
Little bits of rock make it black.

This starfish rests on black sand.
