# Bear Cubs

**CORAL STEP SET B-2: Baby Animals | Book 2**

written by Elfrieda H. Hiebert and Wendy Svec

A den is a small cave.

A cub grows and grows.

This big bear was once a small cub!

This bear is a polar bear.

A baby bear is called a cub.  
Cubs are born in a den.

These cubs are black bears.

Cubs are very small at birth.  
Each cub weighs one pound.  
That is the same as a can of soup!
