Where Can Plants Grow?

CORAL STEP SET B-3: Plants | Book 4

written by Elfrieda H. Hiebert

Some plants like a lot of sun.

Plants can grow in pots.
Here is a little plant.
I like it a lot!

You must care for a plant in a pot.

Plants can grow on land.
Here are some plants on a cliff.
They grow in rock and sand.

The plants do not sink.

Plants can grow on water.
This pond has pink plants.
They rest on top.
