Truck Cabs and Beds

CORAL STEP SET B-5: Trucks | Book 1

written by Elfrieda H. Hiebert

The driver sits in the cab of a truck.

A pickup truck is not as big as some trucks.

But it has a bed that can hold lots of things.

It can even hold kids when the truck goes slow!

A pickup truck can do things
that big trucks can't do.

Trucks come in many kinds.
But all trucks have a cab.
The cab is where the driver sits.

In some trucks, a box sits on the bed.

Dump trucks have a box that is open.

This makes it easy to dump what is in the box.

Dump trucks have a box that tilts.
