# All About Bees

**PINK STEP SET C-10 Busy Bees | Book 1**

written by Elfrieda H. Hiebert & Wendy Svec

Bees are insects that live in large groups.

Workers are girl bees.  
They get nectar from flowers.  
Nectar is sweet like sugar. Yum!

Workers do most of the work in the hive.

Bees live in big groups called hives.  
Each hive has one queen bee.  
The queen bee lays all the eggs.

Bee A is a queen bee. Bee B is a drone. Bee C is a worker.

The other bees are called workers and drones.

Drones are boy bees.

Their job is to mate with the queen bee.
