Fall

LEVEL C-7 At the Lake | Book 2

written by Elfrieda H. Hiebert & Wendy Svec

If you climb high, you can see
the many colors of fall.

On our trip, we see a blue jay.
It sits on a branch of a tree.
What does it dream? We wonder.

By fall, baby birds have left the nest.

In the fall, we hike around the lake.
We sit and rest on a cliff top.
We like the yellow, orange, and red trees.

How many times can you make
a rock splash before it drops?

Grandpa and I skip stones on the lake.

We hold the rock flat and flick our
wrists.

A good skip will skim across the lake.
