# Jump Rope Games

**PINK STEP SET C-8 Rope Games | Book 1**

written by Elfrieda H. Hiebert & Wendy Svec

A long rope works best for games with friends.

Find a flat and open spot.

Then, jump, jump, jump!

You can use any kind of rope to jump rope.

Don't stand too close to others when you jump.

You can play lots of games with ropes.  
You will need a rope.  
You will need to be ready to jump too!

You can jump rope by yourself if the rope is three feet higher than you.

The rope must fit the game.

A short rope works best for a game by yourself.
