Your Five Senses
Sense (sense)

Our senses allow us to collect information about the world. We hear, see, taste, smell, and feel.

Beautiful (beaut·ti·ful)

People enjoy beautiful things with their five senses. Beautiful things are pleasurable and make people happy. Not everyone thinks that the same things are beautiful.

Our sense of sight helps us see beautiful pictures and take beautiful pictures.
Taste is one of our five senses. We taste the things we eat.
One of our five senses is our sense of sight. We see with our eyes. Some people need glasses to help them see better.

Glasses (glass·es)
