Jobs & people (Gr6 and higher)
Multiple-meaning-word map

Flu viruses are so common we have a new pandemic (fortunately, the level of virulence varies) about once a generation. (Diseases)

The span of time between the births of parents and their offspring (n)

Creation or production (n)

"We have this whole generation of people here who contribute to the economy, who have family here," says Susan Yanun. (Immigration debate)

This gas is used for power generation, equipment sanitation, and product development. (Engineering and natural gas)

A group of people born around the same time who may have similar problems, attitudes, etc. (n)

It is my home, where generations of my ancestors have lived. (The great kapok tree)

Darwin realized that the birds had grown beaks specialized for their environment because nature had forced them to over many generations. (A bird with many beaks)
Jobs & people (Gr6 and higher)
Multiple-meaning-word map

So far, we have been testing leg prototypes in a vacuum chamber at MIT. (Building the future spacesuit)

a bedroom, or a room made for a specific purpose (n)

chamber

a section of government (n)

She didn’t know then that her dream would bring her to the highest chambers of Brazil’s government. (Marina Silva)

a hollow place inside a plant, animal, or object (n)

The heart has four parts. They are called chambers. (Heart wise)

So she took the Frog up with two fingers, and put him in a corner of her chamber. But as she lay in her bed, he crept up to it... (The Frog Prince)

He recocked the bolt, made certain there was a cartridge in the chamber and aimed again the rabbit had remained sitting all this time and pulled the trigger once more. (Brian’s Winter)
