The Arts

Art is the creation of beauty through different types of materials. Anyone can be an artist. There are lots of core vocabulary words that describe the arts. We’ve grouped them into five categories.
About the Arts

Art is all around us. Artists create their works of art for different reasons and use different methods to create specific kinds of art. In the process of creating art, artists use their know-how, or knowledge of how to get things done, to create unique works of art for the world to enjoy.
The Arts—

About the Arts

The Purpose of Art:
* create
* compose
* experiment
* examine

Art Know-How:
* technique
* method
* skills
