

The Old Shed

Emma goes into the old shed.
It is full of junk.
The old shed is full of dust too.

Emma has a big job to do.
She has to clean the shed.

Emma gets a rag.
She starts to dust.

“Achoo!” says Emma.
“Achoo! Achoo! A-ch-oooooo!”

Emma cannot stop!
She runs out of the old shed.
She says, “That shed has too much dust!
It’s not the job for me.”
