

A Cake Mishap

Freddy baked a special cake for her friend Ron.

She mixed eggs, flour, and sugar.

She put the cake into the oven.

The cake was baked.

Freddy put icing on the cake.

She gave the cake to her friend, Ron.

Ron took a bite of the cake.

He made a very funny face.

Freddy took a bite of the cake.

“Oh, no,” said Freddy.

“I must have put in salt, not sugar!”

Not even Freddy’s dog would eat the cake!
