

Cat's Big Hat

Cat has a big hat.

Cat loves its big hat.

Cat runs after Rat.

Rat jumps into a box.

Cat jumps into the box, too.

But Cat's big hat does not fit.

It falls off of Cat.

Rat jumps out of the box.

She puts on the big hat.

Then, she runs away.

Now Rat has a very big hat.

And Cat has none!

Sometimes a big hat can get in the way.
