

## Tim and the Map

Tim finds a map.  
The map has a red X.

The X marks a spot.  
Tim sets off to find the X.

Tim takes the path on the map.  
He sees a bush.  
He goes past trees.

Tim comes to a big rock.  
He checks the map.  
He is at the spot with the X.

Then, his friends pop out from the rock.  
They call out, "Surprise!"
