Corresponds to QuickReads Level B, book 3,  
Social Studies, *Transportation Then and Now*

# Airplane

(air·plane)

Then

Now

# Bicycles

(Bi·cy·cles)

Then

Now

# Coaches (coaches)

# Easy (easy)

Something that is easy is not hard to do. Many inventions make life easier for people. Cars make life easy for people because they can go places without walking long distances.

# Grown-ups (grown-ups)

*Grown-ups* is another word for adults

# Invented

(in·vent·ed)

To invent something means to create or design something. Someone who invents things is called an inventor. Inventors have an idea of something they want to make and they make it. The things that are created are invented.

# Minute

(min·ute)

A minute is a measurement of time. One minute is 60 seconds. 60 minutes is one hour.
