

EYES ON TEXT READING LOG

1. Select three students, one who reads below grade level, one who reads at or near grade level, and one who reads above grade level.
2. At the end of reading instruction each day, record the number of pages and the number of minutes each child read.
3. If there is no school, write NS in the box.

STUDENT	BELOW		GRADE LEVEL		ABOVE	
	Minutes of eyes on page	Number of pages read	Minutes of eyes on page	Number of pages read	Minutes of eyes on page	Number of pages read
Date
